

2016 Deer Lodge County Dialogue on Poverty

In 2015, Montana ranked 22nd in the U.S. for highest number of residents living in poverty; 15.4% of Montanans earned an income that placed them below the poverty line.

**We invite you to an open discussion about
the impacts of poverty on our communities.**

Wednesday, August 24th

3:00pm to 4:30pm

**Hearst Free Library Meeting Room, 401 Main Street
Anaconda, MT**

Please join Margie Seccomb, Executive Director of Action Inc. – Human Resources Council, District XII, for a Dialogue on Poverty in Deer Lodge County.

This community forum is designed to provide statistical information on poverty in Deer Lodge County and gather insights of Deer Lodge County residents to help guide service management and program planning. Your insight is a critical component of the Action Inc.'s service planning process.

We look forward to seeing you there. Please contact Action Inc. at 406-533-6874 for more information or with questions.
