## & Holiday Giving Program

### Program Rules

**Please read the following rules of the Mining City Christmas Program carefully. For the purposes of prompt approval, it is important to be accurate and thorough when completing the application.**

**Approval and Non-Approval Notices:** You will receive notification via telephone for the following: further questions on application, missing information on application, or denial of application for the Mining City Christmas Program. Please make sure when filling out the application that you have included a working phone number so that we may reach you. If approved for the program, you will receive notification via telephone for picking up your items. If you do not receive telephone notification by December 19, 2022, you may contact the Mining City Christmas message line at (406) 533-6842.

**Wish List:** While we realize your children may have expensive items on their wish list, please keep in mind that they may not receive them due to limited funding and high demand.

**Exchanges/Returns:** Clothing items provided that are the wrong size for your child or children may be exchanged at Action Inc. or Walmart. Gifts may not be exchanged for cash. There is a system in place for preventing cash returns.

**One Application per household:** Please submit only one application per household. Those applying must reside in Silver Bow County in order to be considered for the program. Applying for families other than your own: Please complete only one application for your own family. Anyone who cannot complete the application on their own can request assistance by contacting Action Inc. for help.

**Dual Custody:** If a child or children are in a dual custody arrangement, only one parent may apply. We ask that parents in those situations resolve the question of which parent is applying prior to making application. We assist children who currently and primarily reside in the household. If your child or children do not live in the home full-time or part-time, but will be with you just for the holiday, please complete the Extenuating Circumstances Form.

**Applying for another holiday giving program:** There are other holiday giving programs in Butte. You may only apply for one program. There is a system in place for preventing duplication.

**Pick-Up:** If approved for the Mining City Christmas Program, you will need to bring the Mining City Christmas ID# given to you during your approval telephone call and a photo ID in order to pick up your items. Only the applicant may pick up the items.
