ADDRESSING and PREVENTING HOMELESSNESS

Fact:

The number of unhoused people in Butte dropped from an all time high of 195 in 2013 to 32 in 2020 after Action Inc. implemented the rapid rehousing model with a Housing First approach in 2014. The pre-pandemic low of 32 then jumped to 178 during the pandemic. The number of people identified as unhoused hovered between 125 and 145 between 2023 and 2024. The number is again falling with the help of funding through the Montana Opioid Abatement Trust and has fallen to 102 as of November 2025--a 29% decrease since MOAT was implemented in April 2025.
